Employee
VTS portal UI
vts Server
Manager
Enter the portal
wala Interni
asks user to put
its creadintion to login
Alternative
[Credential are correct]
Enter the credentials
verify
[Else]
try again
Erorr massege
categories of vacation time
with a positive balance
Create a new vacation request
chose categories of vacation
time
return if
the request is valid
show callfreder
and asks the user to select
1-date(s)
2-time
and enter short title and
description
Alternative
Submitted information
is complete
show succede massege
with text and say requst is
pendding to be approved by
mainger
Verify whether the submitted i
nformation is incomplete or incorrect
Email sent to mangger
requesting approval
[Else]
error shows
the entered is invalid
and request to try again
Alternative
[Manager approved
request]
update the stausi from
pendding to approved
update the
statuse and send emil of
statuse
Request approved by the manager
[Else]
ask massege of reject
reject by mangger
update statuse ui
update statuse
ans send email
mangger enter the
massege and sumit the
reject request
